MIMS INSTITUTE OF EMERGENCY MEDICINE PRESENTS

INTERNATIONAL WORKSHOP SERIES WORKSHOP ON **FORENSIC EMERGENCY MEDICINE**

13th DECEMBER 2015, 8 AM - 5 PM
MIMS CALICUT AUDITORIUM

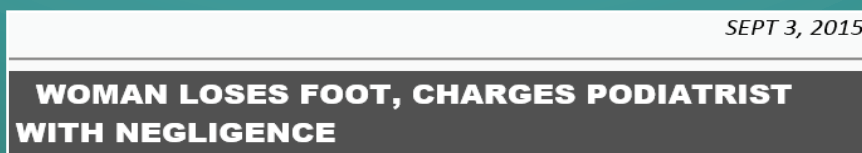

We'll Treat You Well™

WHY ATTEND ?

In the current climate of violence against medical professionals, litigations and poor understanding of ever changing laws, this workshop will be a beneficial session for all those of you seeking clarity of your practice, rights and legal standing.

In our sessions we intend to explore examples from real life incidents, national & intrnational headlines to highlight the core issues encountered by medical professionals and more.

HIGHLIGHTS

- ◆ Hands on training in scientific wound assessment on realistic simulators & various medicolegal documentations
- ◆ Interactive sessions on proper communication and conflict resolution in the emergency department.
- ◆ Opportunity to interact with IMA officials , familiarize and enrol under the various professional protection schemes laid out by the Indian Medical Association.
- ◆ Court enactment to simulate the role of an expert medical witness while attending court hearing.
- ◆ Open panel discussion: interact and exchange ideas with expert panellists on current issues

This unique program has been designed to bring emergency physicians and legal experts as well as Indian Medical Association representatives together to provide perspectives and ideas directly to you on ways to thrive and 'not just survive' in these uncertain times.
