We'll Treat You Well

## Dear Colleagues,

We are pleased to invite you to TRAUMA UPDATE 2018- 'Bruise to Amputation: Bridging the Gap' on 11<sup>th</sup> February, 2018 at Aster MIMS, Calicut. The conference organized by Aster MIMS Trauma Care Team will address key issues concerning various types of trauma in the broader context. The conference intends to bring eminent doctors from various departments in order to provide a special platform for discussing various traumatic conditions. All medical students, doctors, paramedics, nurses and other professionals dealing with acute trauma can attend the academic session.

The objective of the CME is to increase participants' knowledge on recent developments in the treatment and management of difficult injuries, and implementation of newly gained knowledge into clinical practice.

We look forward to see you there.

## Yours Sincerely,

**Dr. Santy Sajan**  
CEO, Aster MIMS,  
Calicut
