

**MIMS INSTITUTE OF EMERGENCY MEDICINE
& MIMS ACADEMY PRESENTS**

**WORKSHOP ON
VASCULAR
ACCESS**

7th International workshop Series

26th Aug. 2015, 8 AM to 5 PM
MIMS Kottakkal Auditorium

We'll Treat You Well™

Why Vascular access?

Vascular access is frequently required in patients for a variety of clinical indications, which becomes a challenge at times in an Emergency/Critical care set up. But With technological advances in vascular catheters and use of modern era adjuncts like Ultrasound, its made a cinche for healthcare professionals

MIEM proudly announces a comprehensive workshop which trains the participants to excel in Vascular access, under the guidance of experienced faculty from the field of emergency medicine and critical care.

Our Objective

Our objective is to make the participant aware of the science behind the technical and practical aspects of advanced vascular access. Participants will have an opportunity to practice on life like simulators during the hands on sessions.

Workshop Highlights

- Next generation realistic vascular access ultrasound training model.
- Hands-on Training on most realistic central line simulator available.
- Ultrasound guided and blind insertion central/peripheral line procedural training
- Neonatal Vascular Access- IO/PICC Line/Umbilical Venous Line/Umbilical Arterial Line
- Arterial line, Arterial Sampling training
- Video Based Lectures on core topics
- Topics on difficult cannulation, precautions while using IV set care of arterial/centralline etc

FACULTY PANEL

Dr Anish Banerjee

Group Head, Emergency Medicine & Critical Care
Global Healthcare Systems Pvt Ltd
Chair, Disaster Medicine Section,
President, West Bengal Chapter,
Society for Emergency Medicine in India

Dr Archana Shrivastava

MBBS, DA, IDCCM, IFCCM, EDIC
Associate Consultant in Department of Critical
Care,
P.D. Hinduja National Hospital, Mumbai

Dr Kyle Yoder MD

International Medicine Fellow, Dept. of Emergency
Medicine, George Washington University

Dr Venugopalan P.P

DA, DNB, MNAMS, MEM, PG Teacher NBE
Director, Emergency Medicine, DM Healthcare, India
Site Director MEM Program- GWU USA

Dr Rajesh Kumar J.S

MBBS, DA, EDIC
Consultant Intensivist
MIMS Calicut

Dr Shibu T. Varghese

MBBS, MD
HOD, Emergency Department
MIMS Calicut

Dr Vishnu Mohan P.T

MBBS, MD, FNIC
Neonatologist, Department of Neonatology, MIMS

Dr Soma Sekhara Reddy

MBBS MEM
Emergency Physician, DM WIMS, Wayanad

Dr. Rehna Kamar MBBS MEM
Emergency Physician, MIMS Kottakkal

Mr. Mahesh Kumar
EMN Co-ordinator, MIMS Kottakkal

Who can attend?

Emergency Physicians, Critical care physicians, PG students,
Residents, Paramedics

Workshop Registration Fee:

Doctors	: Rs. 2000	Paramedics	: Rs. 1500
Residents/Students	: Rs. 1500	Total Seats	: 30
